# Dedication

He dreamed a dream of greatness,  
A greatness not of wealth or  
worldly power,  
But a greatness born of love of  
God and fellow man.  
He dreamed a dream of empire,  
An empire not of ornamental,  
empty classrooms,  
But one of love in the souls of  
those who come to learn.

The Right Reverend Raphael C. McCarthy, S. J., president  
of Regis College, is leaving this year. To you, Father,  
we humbly dedicate the 1953 RANGER.

Father McCarthy is a dreamer, but unlike most dreamers,  
he works as only a man dedicated to the Greatest Dreamer  
can work. To list all that Father has done for Regis  
would take all the pages of this book. It will suffice  
for each of us to look at Regis, today, and tomorrow.  
His works, his accomplishments, are clearly evident.  
The stamp of a priest, a real man.

## *President's Message*

The need for clear thinking is abundantly manifest today. It will be at least as vital in the future. Bewildered and mistaken as the world has been in its economics, it has been even more confused and dangerously deceived in its philosophy of life. To help society in a material way, to obtain food and leisure and decent amusements and good conditions of work, this is good and should not be left undone. Education should play its part in that program. But the finest and most necessary contribution that a college can make is to provide society with a sound philosophy of life, that tells a man why he is here on earth, what his loyalties and responsibilities are, what he is expected to do and what he must not do with his gifts of mind and heart and body.

That philosophy, if it is to be persuasive enough in its motives, accurate enough in its teachings, noble enough in its ideals, must have religion as its heart and soul. It is summarized in the words of Christ: "Seek you first the kingdom of God and His Justice and all these other things will be added unto you."

Regis has tried to impress its young men with the truth that whatever spiritual idealism there is in society has come, primarily at least, from religion. The dignity of man, the sacredness of human life, the sanctity of the home, respect for womanhood, obedience to lawful authority, the virtue of purity, what development and stature would civilization have attained without them?

Even those who are indifferent or hostile to religion are profiting by the accumulated capital of Christian tradition. But today, because of the forgetfulness of man, that capital is being exhausted. Society is faced with the choice of turning back to its Christian heritage, where it will find Him who is the Way, the Truth, and the Life, or of sinking into social materialism, in which lurk despair and death.

Men from Catholic colleges must do their courageous share in the crusade that confronts us. If they fail, the future is dark indeed. We hope, we expect, that Regis men will be true to their responsibilities and to their opportunity.

# Faculty

Louis G. Mattione, S. J., Dean of Regis College

John J. Gibbons, S. J.  
Registrar

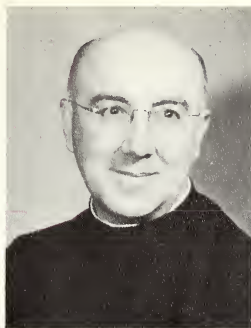

Four hundred years of Jesuit tradition are the watermark of the Regis student. Despite trying physical and mental struggles, this company of Jesus has striven to bring to the young men of the world an education — not the accumulation of a series of facts — but an education aimed at the development of the whole man, the liberal arts education. Ours is this heritage.

Francis J. Malecek, S. J.

As St. Ignatius Loyola imparted to his followers the burden of education, as surely as wisdom without justice and charity are shallow, worthless forms of a godless world, they, the Regis Faculty, in their every effort seek to instill in us a way of life that will recognize that the evil men do lives with them as well as after them.

Ours, then, is the privilege of carrying the light of Catholicism with a selfless fervor as we face a world saturated by materialism, communism, and agnosticism. To us they give the torch. May our dedication be Christ's.

#### OF GREATER MOMENT THAN LEARNING . . .

At a time when human thinking has degenerated into superficial sentimentalism, when men are plagued by the world-wide conviction that the end justifies the means, when godless ideologies are seemingly triumphing over God-fearing ones, the Jesuits, our faculty, are striving with unyielding fervor to instill in us a firm conviction that education for and with HIM is the only answer to those who seek material gain, and who seek to destroy freedom of thought.

We believe that the destiny of Regis College is to be an arsenal of Catholic thought. With this in mind, they, in their every effort, seek to impart to us a living knowledge of the truths which Christ Himself taught over nineteen hundred years ago.

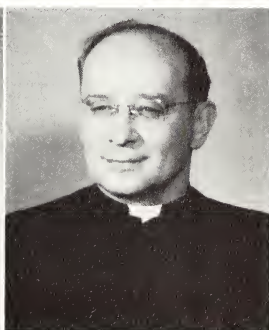

As surely as we are the products of our education, then just as surely we must follow the lead and be equally as positive in our crusade to make Christ our rallying point, the source of our "esprit de corps."

This then is of greater moment than learning.

Being the only Catholic men's college in the area, Regis recognizes its responsibility to the nation, and the region. The Administration takes justifiable pride in fostering a closeknit relationship between faculty and student. It realizes that it is much more important that the young minds entrusted to it be trained to live, rather than to merely earn a living.

# Late Afternoon and Evening Division

Mr. John V. Coyne has served as director of the Late Afternoon and Evening division of Regis for two years. Under his capable direction, the night division has rapidly expanded both in enrollment and in the wide variety of cultural and academic subjects being offered. Mr. Coyne also heads the Business Administration department in the day school.

The Late Afternoon and Evening Division of Regis College continued its almost phenomenal growth this year as an evergrowing enrollment were offered an equally expanding variety of classes. Proof of the night school's excellence came with the acceptance of Regis as a member of the Association of University Night Schools.

Assistant director of the Afternoon and Evening Division is the Rev. Harold L. Stansell, S.J. This is Father's first year as assistant director.

The feminine touch is one of the unusual features of the night school. Bill Dargan is the lone male as a group of night students listen to some after-class comments from Father Stansell.

# Lay Office Staff

Mrs. F. S. Clair is a familiar sight to the many students who visit the switchboard in search of an elusive faculty member.

Mrs. Alice O'Connor, better known as "Mrs. O," has ably assisted Father Mattione and Father Gibbons for several years.

The huge amount of office work involved in running the Dean's office and the Registrar's office is capably handled by the three women pictured below. Left to right are Peggy Murnan, Mrs. O'Connor, and Anita Murnan. Peggy and Anita are students in the night school.

Harry Sailor presents an honorary membership in the Crest to Joe Flynn, popular KFEL disc-jockey, in recognition for his work for the March of Dimes.

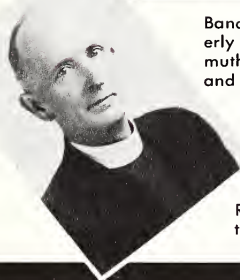

This newest organization on campus was established this year in order to provide Regis with an honorary society to deal with public relations. Under the capable direction of John O'Hayre, this group seems destined to become a powerful club. Modeled on similar organizations, its aims are to further the relations of Regis with the community by giving recognition to those men and groups who have been beneficial to the community. By a series of monthly luncheons, these awards were given to those men deemed worthy. Its limited membership and valuable projects will mark this club with many future successes.

With the ever increasing interest in the field of public speaking, the society looks forward to more and better meets in the future.

Rev. Charles F. Kruger, moderator of the Debating Society.

"Speech is civilization itself. The word, even the most contradictory word, preserves contact—it is silence which isolates."

Thomas Mann

Pictured above is Leon Wilson, winner of the Colorado Intercollegiate Oratorical Contest, held at Loretto Heights College.

The Lincoln Room of the Shirley Savoy Hotel was the scene of the annual Delta Sigma Queen Candidates' Ball. Highlight of the evening came with the introduction of these six aspiring candidates. Left to right are Pat Perkinson, Peggy Murnan, Kate Jordan, Mary Ann Cavanaugh, Bernadette Owens, and Jodie Gibson.

## Delta Sigma

Delta Sigma, the oldest professional fraternity on the Regis campus, saw one of its most active years in some time during 1953. A vast expansion program was inaugurated and resulted in four new chapters established for evening school students and alumni. In addition, the fraternity, which is open to all students interested in accounting and business subjects, sponsored their annual Queen Candidates' Ball, and began a very worthwhile drive to send books and magazines to the soldiers in Korea. Delta Sigma also continued its policy of holding monthly lectures by successful business men of the city.

Delta Sigma officers are, left to right: Jim Ryan, Secretary-Treasurer; Bill Roley, President; Joe Albi, Vice-President; and Dick Hanifen, Student Council Representative.

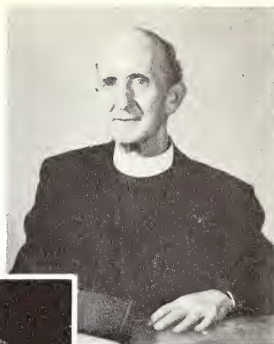

New members of the Delta Sigma who have joined the organization this year are, Front Row: Gene Dell, Bill Kolb, Ed Tracy, Tom Ramos, Art Crandall. Back Row: Bob Friemuth, Russel Beirich, John McBride, Ray Knuffke, and Joe Hughes.

# Business Fraternity

The recent growth in membership and activities of the Delta Sigma is in large measure due to the patient and farsighted leadership of the club's moderator, the Rev. Joseph Ryan, S.J.

At the Delta Sigma Homecoming Dance, presentation of the "Delta Sigma Man of the Year Award" was made to alumnus Paul L. Schmitz, B.S.C., L.L.B., C.P.A., by Jack Vogt, President of Delta Sigma Epsilon Chapter of Delta Sigma.

These eleven old members formed the nucleus of the Delta Sigma last fall. Left to right, are Don Ibold, Don Hanlon, Granville Pugh, Ray Higgins, and Roger Nittler in the front row. In the back row, are Tom Sweeny, Joe Erramouspe, Joe Dyson, Walt Oppenheim, Bob Madonna, and Ralph Gosslin.

This year's Student Council project was of great importance to the student body, for they renovated DeSmet Hall into a Student Union Building, complete with dance floor, pool hall, kitchen, bar room, and offices. Although the work was completed by their successors, their work has been amazing. The Council is also the coordinator of all campus clubs, and organizes all campus activities. This group deserves a lot of credit for all that it has done.

# Mass of the Holy Ghost

The sermon was given by the Most Reverend Bernard J. Sullivan, S.J.

Mass was celebrated by Rev. Raphael C. McCarthy, S.J., the president of Regis College.

It is a tradition in all Jesuit schools to begin the academic year with Holy Mass celebrated in honor of the Holy Ghost.

A philosopher, or one given to thoughts of idealism, would make much of this custom, as well as he might. What better way could there be to begin a year at college?

This Jesuit training which Regis students receive is going to provide them with a strong and correct philosophy of life. Their lives, too, should follow this tradition; they should be dedicated to the Most High God.

Holy Communion was distributed by Rev. Lucius A. Cervantes, S.J.

# Dedication of DeSmet Student Union-Open House

Members of the Regis chorus providing pre-dance entertainment include, First Row: Larry Fu-Shan-Wu, Jerry Craig, Emilio Gallegos, Walt Oppenheim, Ron Downey, George Reichert, Jerry Beavers. Back Row: Pat Walsh, Dick Lutz, Jack Mathis, and Vic Perrelli.

DeSmet Student Union became the scene of a rousing dedication and initiation last fall when the doors of the newly remodeled building were first opened for a school social function. The evening featured a pre-dance song fest by the college chorus, dancing to the Schmalz Brothers' Orchestra, and a surprising, hilarious exhibition of entertainment by the rejuvenated Variety Club. With plenty of girls, laughs, and music, the open house couldn't have helped being the most successful function at Regis in a long, long time.

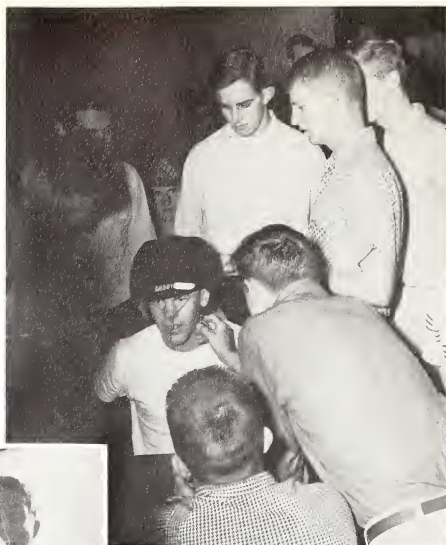

A crowded floor was in evidence most of the evening with the Schmalz Brothers providing the musical background.

Intermission found John Blake, Bob Gower, Dick Hannifen, and George Hovorka in the middle of their no-holds-barred comedy routine.

# Freshman Days

The tribunal of justice dispenses a little well-deserved punishment to Frosh Earl Featherston while Pat Lavin waits his turn. Recognizable are Bob Mulholland, Bob Borgerding, Bill Murphy, and Jerry Jacques.

It's only water, but try to tell it to Joe Bradley. Off we go."

A major part of every school year is devoted to the initiation of the incoming freshmen. The unfortunate newcomers are subjected to many harmless indignities, but, it is always claimed, it is for their own good. They are required to greet all upperclassmen and treat them with due respect, wear the traditional hats, and be willing to be at the beck and call of each of the feared oldtimers. The proponents claim that in this way the freshmen meet the upperclassmen. The frosh always object, but just wait until next year.

A little balder and a little wiser, Francis Marks just grins and bears it.

Another quick clip job is given to Jim Grant,

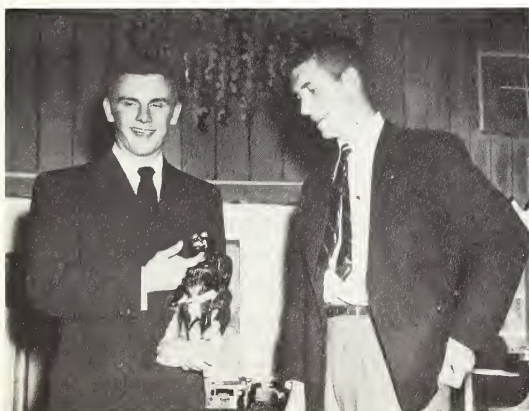

while the next victim, Pat Phillips, waits his turn. These lucky frosh!

The trials and subsequent punishments of the frosh continue until the day of reckoning, the Field Day and Mud Fight, this year, (and every year), won handily by the freshmen. The week is concluded by the Freshman Frolic, at which time the leaders of the freshmen are presented with the traditional silver spurs of victory. By this time they have earned their spurs. They are now Men of Regis.

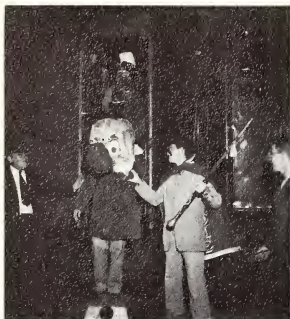

It's all over now. John Bash and Mike Rohe are awarded the silver spurs by Bill Jagger and Ed Minhando.

Little Bruno, a new award from the Regis Brown and Gold, is presented to Bob Miller by editor Frank Corry.

# Regis Goes Pogo

Pogo, played by Jim McKean, is met by Parade-Master Frank Corry and Bill Kerrigan.

Pogo arrived at the Union Station, and met a scene of wild acclaim.

The Chem Club Float, with Officer Jack Miller, and Birdwatchers in background.

Identified are Ron Hermes, J. Bash, R. McGarry, J. Schafer, and J. Hendrix.

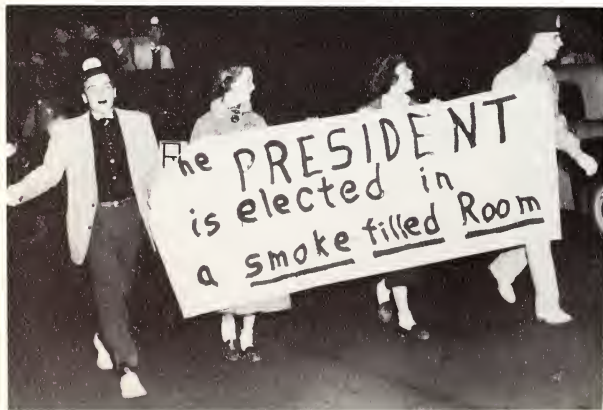

Pogo and First Lady Bob Gower leave the depot to the cries of his supporters.

The fever of politics hit the Regis campus too, with the Rangers coming out en masse for the Swamp-land candidate — Pogo.

A parade immediately formed, and proceeded through Denver's downtown thoroughfare, with shouting students waving posters and praising their excited candidate.

The parade proceeds down Sixteenth Street.

Pledges Jim McKeehan and Lee Hudack, with lady friends, join the parade.

Another parade scene. Some of the many Pogo supporters are: Ray Higgins, Joe Erramouspe, Don Robinson, Rock Roche, Jim McKeehan, and Frank Corry.

The Swampland Candidates: Are these supposed to be identified?

A scene at the Political Rally. It seems like Loretta Heights, and Regians Roche, Robinson, Minhando, and McKeehan are identifiable.

From downtown Denver the parade wound to the Greek Theater in the Civic Center, and held a mock political convention. The throng demanded the candidate, who met a scene matching those of national proportions.

However, the exuberance was short-lived, with the unsuccessful Pogo returning to the ranks of the unemployed...

...and the statesman. Joe Erramouse gave up the ship.

The assembly adjourned. November 7th ended much the same way for Pogo.

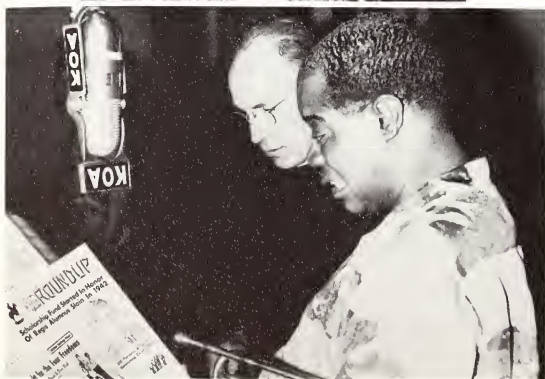

# Walt Springs Memorial Scholarship

Walt Springs, after whom this scholarship was named.

Monte Irvin, outfielder for the New York Giants, when hurt in an exhibition game in Denver, evidenced great interest and promised his cooperation for this fund in a talk with Father Faherty, S.J.

Father Sheehy, S.J., gets more aid. Louis Armstrong, famed master of the trumpet, joined the increasing ranks of notables who have given their names and aid to the drive.

# The National Election

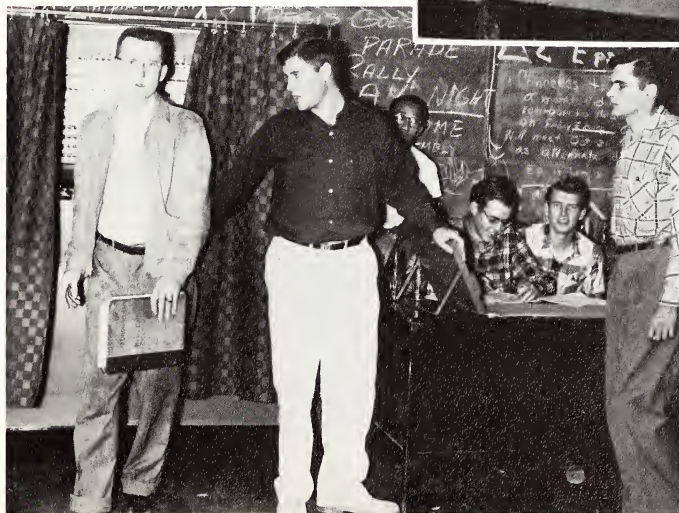

Part of the Regis student body attending the Political Rally in the stadium.

The fever of the National Election hit the Regis Campus, too. The Regian's choice did not follow the rest of the country, since they selected Gov. Stevenson. The vote: 221 to 192.

Democratic representative Gene Cervi addresses the crowd. Seated are his opponent, Rev. Ryssinger, and Mike Farley, chairman.

The Rally was followed by balloting. Frank Gibbons leaves the polling place while Dick Aller escorts Bob Grund to the machine. Seated are: Leon Wilson, Dick Schmalz, and Don Ibold.

# Annual

Rev. Arthur O. Verdieck, S.J.,  
Retreat Master, talks to Regian  
Walt Oppenheim.

Each year, between the first and second semesters, the Regis students go into their annual retreat. This time of great spiritual blessing is spent in quiet, prayer, and meditation. Public prayer and instructions, together with the quiet, cause an entirely different, yet beautiful change on the campus.

Father Verdieck, S.J., gives  
the Papal Blessing at the  
close of the retreat.

"Ecce, Agnus Dei . . ."

final Mass of the retreat.

# Retreat

The Sacred Species is distributed by Retreat Master Verdieck.

The minds of the students are effectively removed from the thoughts of the world, and consider the realities of heaven, hell, death, the life to come, sin, and virtue. Regis was fortunate this year to have Father Verdieck, for his presentation was commonly called one of the best retreats in years.

A scene at one of the many instructions.

Public worship forms an important part of the retreat. Here, the Stations of the Cross are led by Father Tipton, S.J., assisted by servers O'Brien, Hanlon, and Erramouspe.

## *Coronation Ball*

The Annual Coronation Ball is the festive highlight of the first semester. This year it was presented at the beautiful Lakewood Country Club, with this array of beauties representing the various organizations on campus. Left to right: Master of Ceremonies, Bill Dargan; Senior Jack Miller escorting Bernadette Owens, representing the Science Clubs; Sophomore Grover Neimeier escorting Mary Ann Cavanaugh, representing the Ski Club; Senior George Eckert escorting the 1953 Queen, Miss Catherine Jordan, representing the R Club; Senior Jim Ryan escorting Jodie Gibson, representing the Delta Sigma Fraternity; Junior Don Kirvin escorting Peggy Murnan, representing the Alpha Delta Gamma Fraternity; and Pat Perkinson, representing the Golden Crest, escorted by Freshman Don Scherer.

Rock Roche and Gene DiTolla are at the ballot box. Voting are Pat Lavin, Benito Ruybal, Isidore Valdez, Bob Elliott, and Emilio Gallegos.

Kevin Gleason, Robert Reinhardt, and Jerry Jacques are deciding who will be their queen.

The Coronation Ball, biggest social event on the school calendar, had weeks of extensive preparation and fabulous campaigning. Feverish excitement came with the voting day. The ball was a huge success with over two hundred couples having a wonderful time. Then came the big moment when Mary Jane O'Hayre, last year's queen, gave the crown to Kathryn Jordan, the Queen of Regis for 1953.

The old and the new — Ed Kohl with the 1952 queen Mary Jane O'Hayre, and George Eckert with the 1953 winner, Queen Kathryn Jordan.

Four of the two hundred couples at Coronation Ball are Don Hanlon, John Sottong, Art Welch, Rich Rydberg, and their charming dates.

## *Mid-Year Graduation*

Nine students of Regis College were graduated at ceremonies in the Regis chapel on the twenty-fifth of January, representing the first part of the Class of 1953. The Very Reverend Raphael C. McCarthy, S. J., the president of Regis College, offered the graduates' mass, which was followed by a formal breakfast in the school cafeteria. The graduates are, (Front row): Vincent Lutz, James Lusk, Francis Gibbons, and Thomas Cannady. (Back row): Robert Kelly, Samuel Shephard, Charles Dowse, William Blalack, and Myron McGinley.

# Valentine's Day Dance

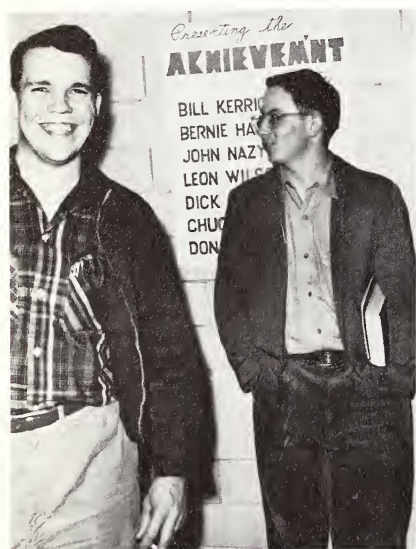

Pat Seduski, Paul Erramouspe, Marlene McCarty, Bill Kerrigan, Mary Jane O'Hayre, and Ed Kohl.

Under the sponsorship of the Sodality, the annual Valentine's Day Dance was held the fourteenth of February in the Student Union. After a terrific promotion by the Sodalists, over a hundred couples attended the "Sweetheart Ball." One of the few dances held in the renovated De Smet Hall, it was a great success, and gave evidence of the coming popularity of the new student building.

Named "Sweetheart Couple for 1953" were Pat Seduski and Paul Erramouspe.

# Student Council Elections

Don Hanlon and Ralph Gosselin are caught by the camera standing on front of one of the Achievement Party posters.

Winner of a hotly contested race for the student body presidency was Bill Kerrigan, a junior from Leadville, Colo.

Professional politicians had nothing on the Regents during the midyear elections of the Executive Board of the Student Council. For several days before the election, students were besieged with posters, handbills, campaign promises, and handshakes, as three parties, with a total slate of 21 candidates, vied with each other for the Executive Board berths. The contest was so close that after the first ballots were counted, a run-off election was required for the president, vice-president, and treasurer.

These boys take their politics dead seriously. Pictured left to right are Tom Early, George Hovorka, Jim Ryan, Dick Hannifen, and Jack Harrington.

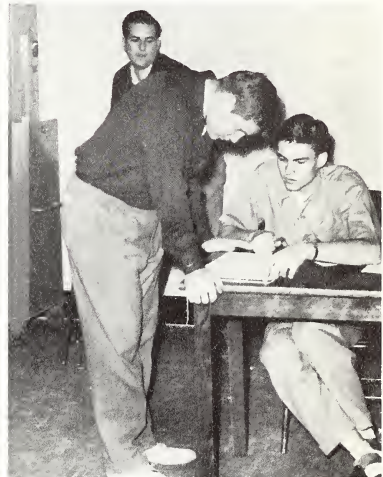

## Executive Board 1953-54

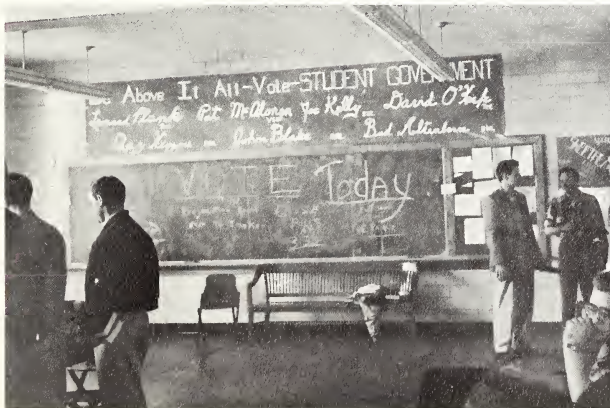

Using voting machines, students lined up at the polls between classes to cast their votes for their favorite candidates. Busy election officials are Jim Connell and Dick Aller (standing). Awaiting their turn at the machines are, left to right: Jerry Stewart, Garcia, Jerry Beavers, Bob Miller, and Bob Leon-Guerrero.

### Student Council Executive Board Election Results:

Vice-President .....	Joe Grace
Secretary .....	Mike Farley
Treasurer .....	Joe Dyson
Directors .....	George Hovorka

"Honest" election officials above are Dick Aller, Jim Connell (seated), and Gene DiTolla (background).

Election day, the campaigning over, and the smoker almost empty as most of the students await the returns. At far left with their backs to the camera are Len Plank, Jerry Stewart, and Bob Gower. At the far right are Frank Smith, Ernie Barlock, Art Welch, and Ron Simpson (seated).

## Television Series

Rev. Elmer Trame, S.J., assisted by Ned O'Brien and Rich Rydberg, present the Biology Department demonstration before the television camera.

Rev. Raphael C. McCarthy, S.J., in one of his monthly television appearances.

Regis scoops the region with the first college education program in the entire area. Each department appeared in the series of fourteen programs, thus determining the educational program policy that will be followed by all the schools in this part of the country. Well received, the series marks a great accomplishment for Regis College.

RANGER DON ROBINSON

### *Buzz-Boys Cool Denver Univ.*

Jan. 21 — A red-hot, ball-hawking band of Regians rode out of North Denver and subdued a scrappy Denver U. outfit tonight by reversing tactics on the Pioneers and beating them at their own game — ball control. This year the annual city championship series was cut to only one game. Thus, by this victory, the Olsonmen garnered their first undisputed city crown. Eddie Kohl and Big Tammy Conlon led the Rangers with 16 tallies apiece.

**RANGER DON "KEESO" ROBINSON** — Don, a senior from Silverton, Colo., is the ace defensive man on the squad and one of the best in the region. Showing up well in later season games as a scorer caused many to wonder why he was not utilized earlier in the Regis' offense. Don stands 6'1" and has lettered three years after starring on the frosh squad in the '49-'50 season. Don was a catcher on last year's varsity baseball squad.

George Eckert cuts into the keyhole and lets fly one of his famous jumpshots as the Rangers pour it on Mines in the first game at the City Auditorium. The Rangers romped to a tune of 72-46.

### *Rangers Blast Miners Twice*

Denver and Golden, Jan. 9 and 10 — In the Mines series, one of traditional heat in past years, the Northside Rangers stymied the Orediggers' offense and riddled their defense going on to take 72-46 and 75-68 decisions. On Friday night in Denver the Olsonmen were never headed as they won easily; but on Saturday night it was a different story, with the lead changing hands several times until midway through the final stanza. Eddie Kohl and Jack Gleason headed the Regis parade both nights, with Eckert and Conlon pouring more in the hoop.

**RANGER EDDIE KOHL**, senior guard from St. Louis, was one of the most outstanding Ranger cagers in the history of the school. Ed has set more individual records than any other player to don Regis spangles and is the highest scorer to emerge from the Hilltop college. Ed had starred as a frosh and has carried the brunt of the Regis offense in his last two years. This year he added to his already well-known reputation by becoming one of the team's top rebounders, a notable fact since he is not too big a player.

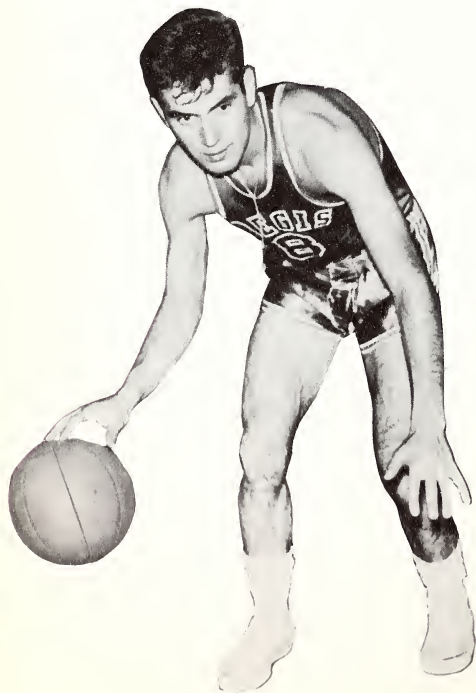

**RANGER ED KOHL**

Pat O'Connell roars through to lay one up as Wesleyan player awaits the crash.

Mickey Shannon, (left photo) frosh post sensation, nets two with a sweeping hook. It's O'Connell again — this time connecting with his deadly jump shot.

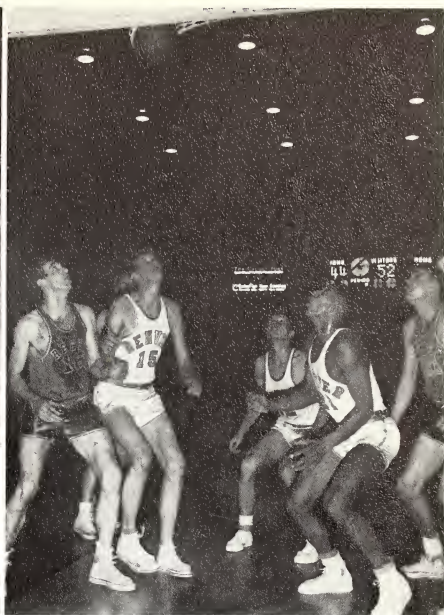

RANGER GEORGE ECKERT

## *Rangers Sweep Four Versus Kansas Competition*

Meeting the Kansans at the very outset of the season on their Midwest road trip, the Rangers took December victories over Kansas Wesleyan University 95-84 and then put on a dazzling scoring spree in Emporia to rout Kansas State Teachers 79-59. Meeting Wesleyan again in their first home game, Regis eked out a victory in an 84-78 overtime win at the auditorium. Again playing a twin-bill with the Denver Bankers later in the season, Regis routed Kansas State Teachers of Emporia 72-59, after trailing most of the early part of the contest.

RANGER GEORGE ECKERT, fiery guard and senior from Albuquerque, N. M., was the smallest man on the squad but made up for his lack of size in surplus of hustle. George, who starred on the '49-'50 frosh squad, has lettered three years at Regis. His most effective offensive punch is a one-handed jump-shot with which he has riddled many an opponent's nets as well as morale. George was an outfielder on last year's varsity nine.

Right: Six ballplayers tense for a rebound that failed to materialize as Kohl hits for two. Players (left to right): Conlon (R. 16), Kalas (D. 15), Rhone (D. 21), and Gleason (R. 21).

## *Lumbermen Fall to Barrage, 67-62*

In an exhibition tilt, played for the Polio fund in the Aurora Fieldhouse, the Northsiders measured the AAU champions of the Rocky Mountain League — Strait Lumber Co. — to the count of 67-62. Don Robinson turned in a great game as the cool Rangers caught fire at the final stanza and whipped the ex-collegians going away. The game was added to the schedule to relieve a long lay-off in scheduled games.

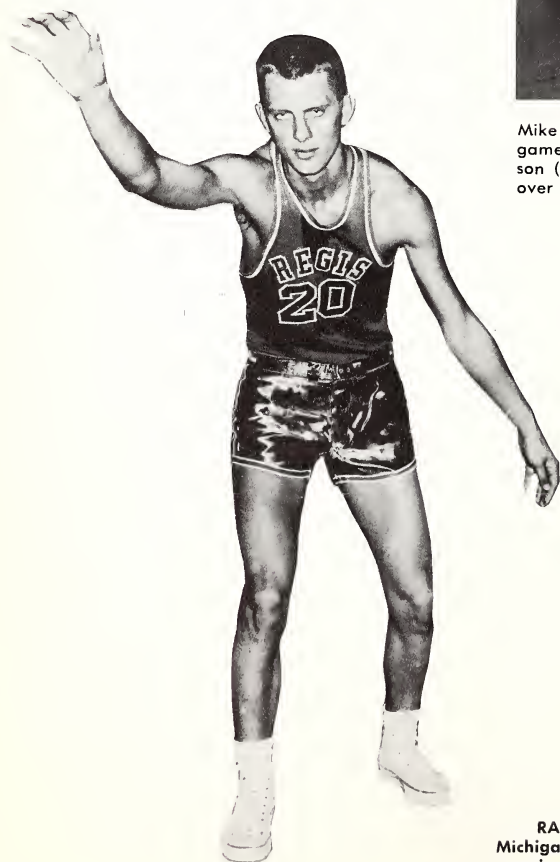

**RANGER PAT O'CONNELL**, a senior from Hastings, Nebraska, was a high-scoring starting forward on this year's Ranger aggregation. A good set shot artist and a very good driver, Pat was perhaps the only consistently hot Ranger offensive weapon at the end of the season. Turning in some fancy shooting exhibitions on the Christmas road-trip, Pat became one of the top men. Other coaches had to stop before they could stop Regis. Pat is a three-year letterman and played frosh ball. He's an ex-air force product.

**RANGER PAT O'CONNELL**

## *Rangers Impressive in Warm-up Pre-seasoners*

As the winter blew in on Regis, the off-and-on Rangers opened the long season with an impressive win over the star-studded alumni team, rolling to victory on the long end of an 83-70 score. Shortly afterward, the team played an exhibition tilt in Powell, Wyoming, against the powerful Denver Bankers of the National Industrial Basketball League. They dropped a close 68-62 decision to the Varnell-coached club after playing them down to the wire on even terms. Highlighted on the Banker quint were Tommy Kavanaugh and Bryce Heffley, ex-Rangers.

RANGER MIKE GROSHEK

Mike Groshek, goes high for a rebound in the alumni game which the Rangers won 83-70 while Jack Gleason (14) and Pat O'Connell (10) express vital concern over matters.

## *South Dakota Edges Rangers*

Vermillion, S. D., Dec. 15 — In a hard-fought game the lads in green dropped a close 58-56 decision to the Sodaks from Vermillion. The large crowd was treated to a thrill-packed exhibition which saw three players carried from the floor. Shannon and Eckert were high-point men for Regis with 14 markers each.

## *Kearney Stops Tired Rangers*

After four straight impressive wins on their mid-west trip, Nebraska Teachers measured the tired Olsonmen 84-73. O'Connell was high for Regis with 15.

RANGER MIKE GROSHEK, a senior guard from Flint, Michigan, and a transfer from the University of Detroit, was invaluable on the boards and used his 6'3" stature to pour on the steam in the second Kansas Wesleyan tilt to break their drive in the overtime. Mike played forward and center also.

The Kohl jump-shot. . . this time destined to boost the Regis lead to 40-37 in the annual intra-city clash of the Rangers and their rivals, D.U.

In their final home game of the season, the Buzz Boys managed to shake themselves from the doldrums of the Adams State series and eked out their second victory of the season over a cold Blue Jay quint, 60-54. In the game played in the old Denver Auditorium on March 4, the lads in green put on a strong third quarter surge to end Creighton victory hopes. This game marked the end of six college basketball careers — six careers which began their climb to cage glory as the most sensational frosh squad this area has ever seen; six careers which had shown such terrific promise as sophs, yet had not risen to their full potential heights as seniors. They were and are stars.

**RANGER TOM CONLON**, "Big Tam," a senior postman from St. Louis, Mo., was the core of the Ranger spirit and attack as well as the team's foremost rebounder. Tom was No. 2 in Ranger scoring and a tireless worker. Tom's "heart" was the watermark of his play. Last year Tom starred for the U. S. Air Force All-Stars who played in the American Olympic playoffs, losing to World Champion Peoria Caterpillars.

## *Creighton Falls Twice*

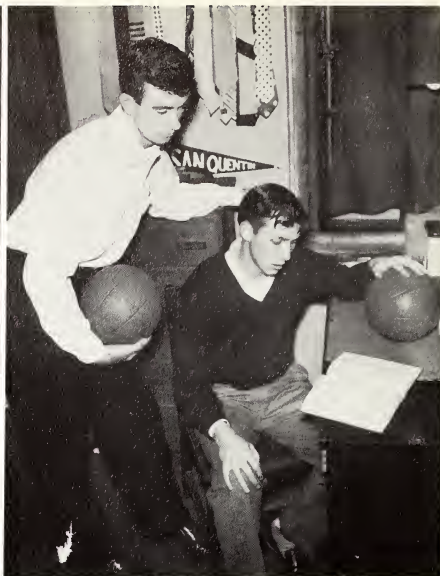

A heavy hand descended on the bright festivities of the Blue Jay homecoming as the Galloping Rangers rode out of the west to set the woods on fire to the tune of 80-73 in Omaha, as Creighton University went down before the consistent shooting accuracy of Rangers Eckert, Kohl, and Conlon. Highlight of the evening was the 32-point output of Creighton center, Elton Tuttle, who more than matched the combined outputs of Regis centers Conlon and Shannon. Thus Regis continued its hardcourt domination of her sister Jesuit institution from Omaha in a series which dates back to 1948, when the Rangers took two from the Blue-Jays.

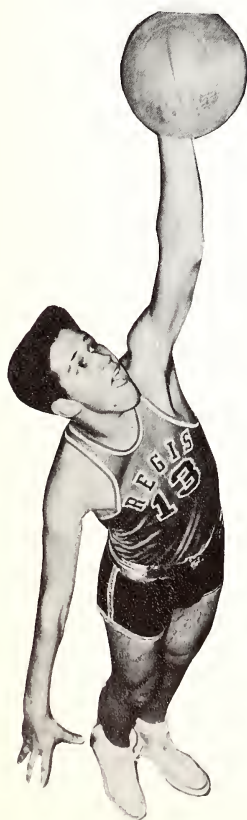

**RANGER TOM CONLON**

St. Joe's Grade School Club is off and running in the first annual Regis Polio Fund Basketball Carnival. The younger teams took the floor in the evening's opener and were followed by the prep teams from Cathedral and Regis previous to the Colorado A & M-Regis windup.

A pair of basketball-encumbered seniors — carrying their tools of trade as corporal penance for fumbling (Johnny O'Hayre version) — hit the books. They are Ranger starters Conlon and O'Connell. The book is the only prop. They held the ball vs. A & M.

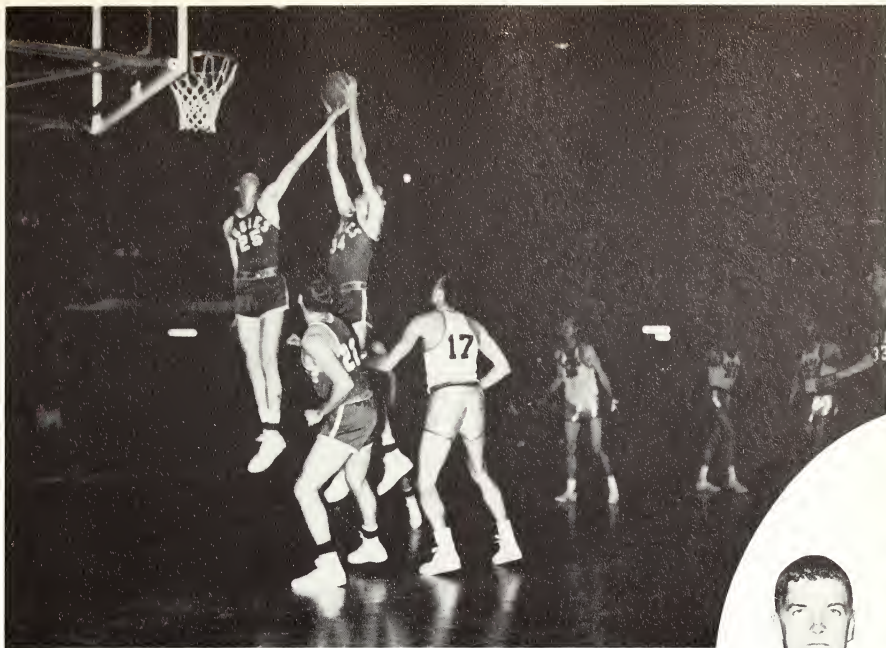

RANGER MICK SHANNON

## *Regis Polio Basketball Carnival February 20, 1953*

RANGER MICK SHANNON, the sensational frosh postman from Cape Girardeau, Mo., is the first frosh to break into the starting line-up (which he often did) since the great Buzz Boy teams of '48-'49. Mickey was an invaluable scorer — third high on the team — and a great rebounder. The consensus is that great things are in the offering for this lad basketball-wise.

RANGER JACK GLEASON, a tireless hustler from St. Louis, Mo., was the only under classman regularly on the starting five. As the season wore on, he developed into a tremendous scorer whose talents will be heavily relied upon in next year's campaign. "Blackjack," his monicker of Marine fame, is a good rebounder and a fine floor man. His play was the best at the close of the season as he harassed Aggies and Creighton.

The huge Aggie front line, utilizing their great height advantage over their smaller Ranger rivals, are here shown dominating the board as Eddie Kohl (17), Ranger rebound star that evening, look tensely on.

### *Colorado Aggies Nip Rangers In March of Dimes Battle*

Denver, Colo., Feb. 20—The towering Rams from Fort Collins braved a blizzard, along with 2,500 roaring fans, to down a fighting Regis outfit by a 71-68 count. The Rangers trailed the whole game until the last five minutes of play when the deadly eyes of Ed Kohl and Jack Gleason put the Rangers in the lead. Unfortunately for the Rangers and their roaring home crowd partisans, the height element of the Aggies proved to be an insurmountable barrier, and the final horn ended the terminal rally of the men in green. The whole extravaganza was held in the modern new Denver Arena and was sponsored by Regis as a charity benefit for the March of Dimes Polio fund. Students of the college canvassed the city in the drive and arranged the night's program under the guidance of Johnny O'Hayre. Also on the evening's bill was a grade school basketball game and the Cathedral High-Regis prep tilt of the City Catholic Conference. The whole evening's entertainment netted the Polio fund about a thousand dollars and provided entertainment for hundreds of guest orphans and boy scouts.

RANGER JACK GLEASON

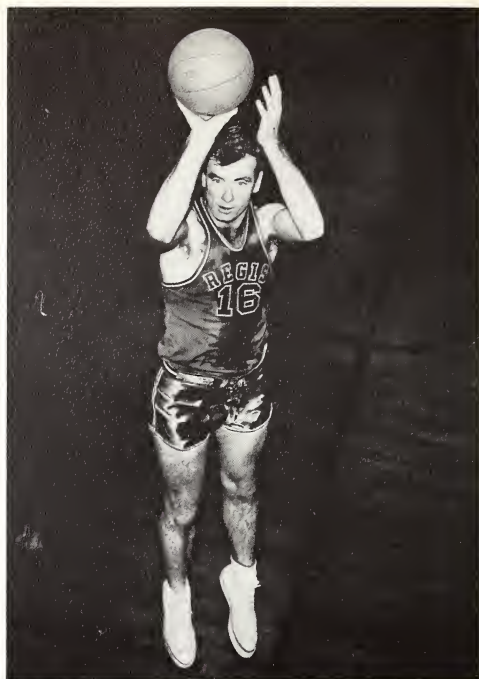

## *Hastings College Splits With Roaming Rangers*

Hastings, Nebr., Dec. 8 — The full fury of the vaunted Ranger attack was finally unleashed at the expense of a keyed-up Hastings College five at a blistering 87-69 pace. Fiery George Eckert, Albuquerque flash, sparked the Rangers with a 26-point outburst, followed by Tom Conlon who clipped the nets for 23. Gleason hit his top pace here as did Shannon.

Hastings, Nebr., Dec. 17 — A go-gettum Hastings outfit rebounded from the previous weeks licking and handed the Rangers a 77-68 beating. The tired Rangers couldn't get a sustained drive under way.

RANGER JERRY POWELL

Big "Tammy" Conlon, star of Regis teams for four years, goes high to hit in the Western State game.

## *Colorado A & M Measures Rangers*

Fort Collins, Colo., Dec. 30 — Just having returned from Christmas vacation, the northsiders went down in defeat to a hot-shooting Aggie team, dropping a 66-54 decision to their Fort Collins foes. The Rams leaped into the lead at the start of the contest and were never headed. The Rangers after a poor first-half showing narrowed the gap but slightly in the last half, and were unable to overtake the victors.

RANGER JERRY POWELL, a native and prep star of Thermopolis, Wyoming, is a fine frosh prospect with tremendous potentialities. One of three frosh to don varsity togs, Jerry is the highest jumper on the squad and a very good forward.

RANGER BOBBY FREIMUTH, a three-sport star from Lingle, Wyoming, and a transfer last year from Wyoming University, was a reserve forward on this year's squad. (His picture was unavailable for publication). Bob is a great rebounder and a good all-around floor man. He shows much promise.

## *Adams State Raps Rangers*

The Regions, in quest of a bid to the NAIA tournament in Kansas City, met an unexpected barrier in the form of a scrappy Adams State Indian crew. Playing their first contest February 21 at Alamosa, the Rangers were stymied by ice-cold accuracy at the hoop and a whistle. Result was a tight five point margin of loss 66-61. A week later, the team journeyed once more to Alamosa, along with student followers, and lost once more to the Missouri-bound Indians, 66-54. Much to the delight of a highly partisan crowd the Indians turned on the steam and kept it on, but the effect of all the heat failed to rouse the ice-bound Olsonmen. A torrid third quarter, which saw the Rangers fall twenty points behind, finished the job. Eddie Kohl's and Donny Robinson's fine performances failed to be enough.

## *Western State Goes Under Twice*

In a pair of Denver contests on February 13 and 14, the Buzz-Boys whipped an outmanned but scrappy Western State

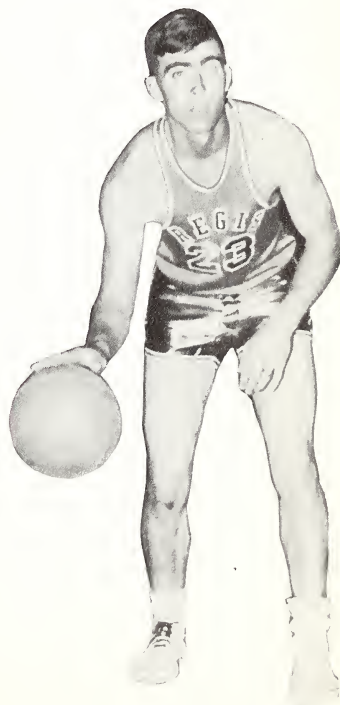

RANGER GIL CAVINS

club by respective scores of 94-61 and 70-58. This marked the end of an eight-game win streak.

RANGER LEE HUDACK, the only soph on the squad and a native of New Baden, Ill., shows promise of being a strong point in subsequent Regis cage teams. He is a guard.

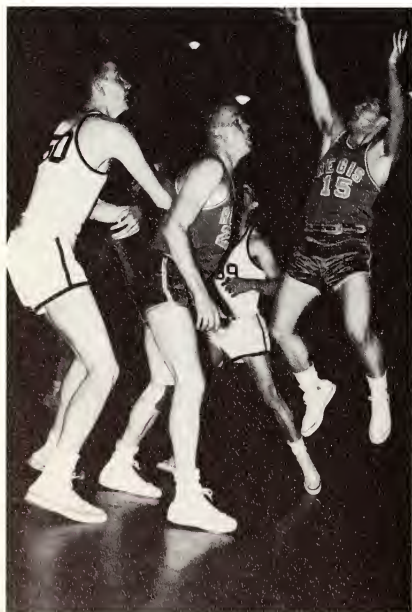

RANGER SKIP CAVINS, the Rock Island flash, is a coach's dream; though only a frosh, he demonstrates great poise and polish and is a fine shot from out-court. Undoubtedly he will start very soon in the Ranger line-up. Gil is an excellent ball-handler.

RANGER LEE HUDACK

Meet the Regis Freshman Cagers of 1952-1953 — a hard driving red-hot gang who show great promise for future years. Frosh basketekers are (left to right): Bobby Miller, Len O'Hayre, Bill Lavery, Jim Grant, Pistol Pat Lavin, Bill Ernest, and Earl Featherston.

## *Freshman*

The fall of 1952 saw the advent of a horde of promising talent in the form of freshman basketballers enrolling at Regis College. Part of this crew of promising talent was lifted for varsity campaigning, but the remaining greenies proceeded to burn up the courts in their own inimitable, untutored fashion. They showed very well against talent-laden Fitzsimmons Army Hospital, a crew composed of ex-collegians now in service, before losing in close contests. Bobby Miller set the frosh scoring record in the last Fitz encounter by netting 34 markers for the young lads in green.

Left: Mickey Rohe connects with a jump-shot in the Fitzsimmons Army game as teammate Earl Featherston lays down an effective screen for him.

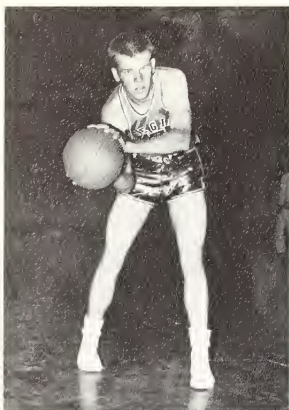

First semester Junior Rangers, the usual starters in early season Ranger frosh contests, are (left to right): Bobby Miller, Mickey Rohe, Earl Featherston, Bill Ernst, and Bill Lavery.

## *Basketball*

Had the frosh had the services of the bigger men who were removed for play with the varsity, it is quite possible they would have been able to roar through frosh competition at a pace last set by the present seniors when they were frosh. Coach Olson has some very promising boys in the form of Bobby Miller, Lefty Pat Lavin, Bill Lavery, and Bull-Moose Bill Ernst. With more experience they should form a tight nucleus for future Ranger powerhouses. Another frosh who looks very good at the nets is Earl Featherston, a Fort Lupton, Colorado, product. Mike Rohe, a diminutive guard, left Regis at the semester after doing well in early season games.

It's Rohe again — this time having a shot effectively blocked by a Miner in the freshman-Mines frosh game. The term for this play is "flying blind."

## *Fall Intramurals*

CHAMPIONS OF THE FALL INTER-CLASS SOFTBALL TOURNEY were the seniors. Fourth-classmen softballers are, left to right, Front Row: Eckert, DiTolla, Robinson, and Kohl. Back Row: Toner, Connell, Conlon, Groshek, and Aller.

A renewed and highly accelerated intramural program was adopted this fall under the planning of Fr. Bill Faherty. Featured were Class A and B singles and doubles tournaments and another tennis tourney with Loretto girls entered in mixed doubles competition with the Ranger netters. The fall softball classic for the "LITTLE BLUE MUG" was won by the seniors. Sixteen squads took part in intramural touch football. As a result, hundreds benefited from Fr. Faherty's plan.

Champion of the Class A singles tournament held in early autumn was Eddie Kohl, whose easy style and unerring accuracy were lethal.

Seen at the right are Ski Clubbers Burch, Roubik, Gower, and Blake as they prepare their hickories for a big season on the slopes. At the left is beautiful Evergreen Lake and skaters. Pick out the Regis jacket and girl.

The 1952 varsity baseball squad—here shown after their final game of the season. Diamond-men of the Northsiders are, left to right: Sam Eccher, Don Robinson, Jerry Lange, Frank Corry, Bobby Buhler. Rear: Manager Kevin Gleason, Jim Malone, Bill Voss, Lee Hudack, Jim Connell, and Paul Toner. Missing were Jerry Jacques, Len Collins, Porreca, Jim Stromsoe, George Eckert, and Gene DiTolla.

## *Varsity Baseball 1952*

Last year's varsity nine was perhaps the greenest, most untried group of Regis baseball players ever to assemble at the start of a season, but they became one of the smoothest clubs ever to don a Ranger suit at the close of the season. Coach John Flanagan achieved this transformation by his sharp tutoring of the young Rangers (there were only five returning lettermen) and by his instilling a fighting spirit in his charges. The picture, which looked so black at the start of the season after early losses to Colorado U., Lowry, and Fitzsimmons, soon took on a brighter hue as the "kids" built up steam and weathered the last half of their schedule undefeated.

Returning lettermen for this year's club are Buhler, Collins, Connell, Corry, Eckert, Hudack, Jacques, Eccher, Porreca, and Robinson.
